REALTRENDS NATIONS BEST REPORT RANKS NATION'S LARGEST REAL ESTATE FIRMS

Irving, Texas —On April 1, 2022, RealTrends released its 2022 RealTrends Nations Best brokerage rankings, an independently verified compilation of the nation’s leading residential real estate companies. RealTrends, the trusted source for news and research about the real estate brokerage industry has been ranking brokerages for more than 34 years and is the most-trusted brokerage ranking report in the industry.

RealTrends recognizes the Nation’s Best residential real estate firms who have closed a minimum of 500 sides which still puts them among the industry’s elite.

Included in the Nation’s Best is Chase International headquartered in Reno, Nevada. Closing 2,899 sales last year, ranking it as one of the top firms in the nation.

This year's survey represents the most comprehensive collection of data assembled on the leaders of the residential brokerage industry. Numbers are documented by outside accounting firms and/or MLS reports.

To view the rankings, go to <https://www.realtrends.com/real-trends-500/>. RealTrends is offering the RealTrends Nations Best information for free!

About RealTrends: REAL Trends has been The Trusted Source for news, analysis and information about the residential real estate industry since 1987. Acquired by HW Media LLC in 2020, we remain a privately-held publishing, communications, and events company in Castle Rock, Colorado. Residential real estate leaders find timely and trusted information and analysis through our yearly event—Gathering of Eagles—our newsletters and daily news published on www.RealTrends.com.
